

## Important Senior Companion and Friendly Visitor Update

**Hello to all of our Senior Companion and Friendly Visitor Volunteers:**

We at Senior Services hope all is well with you and your family. **For the safety of all involved, we are temporarily suspending in-home visits.** This is difficult because we know how much your seniors depend on your smiling face. Please check in with your senior via friendly phone calls on your regular schedule, or even more often if you have time available. It is important to track your calls on your time sheet. Our funders will be looking to us to keep these seniors engaged, via calls. Until you hear from us... please continue to visit via phone call only.

We are all being told to practice social distancing, but we don't want our seniors to feel lonely. If you would like to help out in any way, you can offer to drop-off pharmacy or grocery supplies at their front door.

If you have further questions, please contact:

**Please be well and be safe!**

Wishing you all the best,
